## General Rules

---

- **Team competition consists of two categories:**
  - *Factory– The highest level of team competition with a rostered team where a sponsor manufactures any component for bicycles or calls itself a Factory Team, competing for prize money.*
  - *Bike Shop– The middle tier of team competition with a rostered team that calls itself a Bike Shop Team, competing for prize money.*
- **All Bike Shop or Factory teams must have a USA BMX approved team Jersey, and team riders MUST wear their respective team jersey during all competition or risk losing team points for their finish of the day.**
  - *Team jersey requirements:*
    - *All Factory teams are required to include the world “Factory” on their jerseys.*
    - *All Bike Shop Teams are required to have the team name as the predominant logo on the jersey.*
    - *Pro riders may have jerseys that differ from the team jersey to accommodate additional sponsors. The dominant logo on the jersey must be the team logo and all jerseys that are not exactly the same MUST be pre-approved in advance of utilization on a team sheet.*
    - *Any rider's jersey that is not exactly the same as the team jersey, MUST be pre-approved in advance of utilization on a Team Sheet.*
    - *UCI championship category world champion riders (Elite & Jr.) at a UCI event are exempt from team jersey requirements and must wear the UCI jersey. If any sponsor logo is displayed on the UCI jersey, the logo of the team must be displayed.*
- **Factory and Bike Shop team managers are responsible for maintaining a roster of riders. A new roster must be submitted each year. Rosters can be managed through the online dashboard. A Factory Team cannot roster Novice or Intermediate riders.**

# General Rules

---

- **Background Checks – Per the USA BMX Background Screening Policy, all Factory and Bike Shop team managers participating in the National Series team competition are required to facilitate a background check through the USA BMX independent background-screening vendor. A team’s overall standing and results will not be published until this has been completed.**
- **Teams adding a rider to their roster must do so prior to close of registration for that day’s race. This must be done online through our team dashboard. You will need the riders Serial Number and Validation Code which can be found on the riders physical membership card**
- **Any rider removed from a team roster (removal by team manager or removing themselves from a team roster) will be subject to the following:**
  - *Factory Team riders removed from a roster shall be ineligible for team competition for a period of 30 days*
  - *Bike Shop Team riders removed from roster shall be ineligible for team competition for a period of 30 days*
    - *The above period will commence on the date the USA BMX receives notification by either the rider or parent/legal guardian (if a minor).*
    - *during this probation period. the rider may still be claimed by another team.*
    - *Riders must be dropped through the Team Dashboard.*
    - *If a rider chooses to remove themselves from a team, they will need to email their member serial number, & validation code to **[nationalteams@usabmx.com](mailto:nationalteams@usabmx.com)***
    - *If a team dissolves, a rider will be eligible to join another team once USA BMX proves the team no longer exists.*
- **Team roster changes are allowed through October 1st. After this date, a rider moving from one team roster to another team will not be eligible for team competition for the remainder of the current national racing season.**
- **After October 1st , teams may add only riders not currently on a Factory or Bike Shop roster.**
- **National race team entry fees:**
  - \$25 per Bike Shop Team sheet.
  - \$50 per Factory Team sheet.

# Team Sheet Rules

---

- **Team Sheets must be paid for and activated at the registration trailer on race day.**
  - *A Factory or Bike Shop Team may enter up to two team sheets per national race, and both team sheets per national race may be used toward year-end ranking.*
  - *National Race team prize money will be paid utilizing the best score of the two possible team sheets for the day.*
- **For the Race of Champions and the Grand Nationals:**
  - *two team sheets may be submitted, however, only one team sheet will be counted towards year-end ranking.*
- **Factory and Bike Shop Teams can only utilize their rostered riders on their team sheet(s).**
- **A Factory Team cannot utilize Novice or Intermediate riders on their team sheets.**
- **A rider may not be used more than once on any single team sheet.**
- **A team may use a rider on two team sheets, however the rider must be in a different class on each sheet (Ex: Expert on team sheet 1 and Open on team sheet 2).**
- **Any rider that races in a class combined with a rider of a higher proficiency will be scored with team points from the table of the higher proficiency.**
- **USA BMX reserves the right to determine the classification of any team and reserves the right to verify the rider's approval of their participation on a team sheet. Any team found utilizing a rider on a team sheet without the rider's approval will receive zero (0) points for that rider.**
- **Unofficial results will be announced at the conclusion of each event. Official results will be determined after validation of each team sheet's rider eligibility, finishes and point total.**
- **Official results will be published on the USA BMX Nationals website.**
- **Team Sheet Scoring:**
  - **An amateur rider not qualifying for the main will receive zero (0) points.**
  - **A teams best four scores will be counted**
  - **Team Sheets must be submitted before the countdown end for each day of racing.**
  - **The team sheet with the highest score wins their respective category.**
  - **In the case of a tie, the tie breaker shall be the order in which riders qualified to the mains and will be counted as follows:**
    - *Most 1st Place Finishes*
    - *Most 2nd Place Finishes*
